

## Accept More Payments with ACH

ACH provides an inexpensive method of collecting payments with a faster payout time than credit or debit cards. All you need is a Check Gateway account to get started.

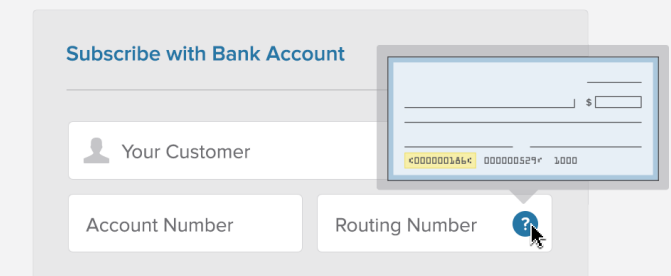

### ACH Benefits

- ▶ Saves you money in transaction processing costs
- ▶ Added convenience and payment options for customers
- ▶ Easy for both customers and merchants to automate
- ▶ Fast access to funds
- ▶ Secure and reliable

Manage all of your revenue streams in one place with Recurly. By offering more payment options, we help you increase sales through an effortless buying experience.
